

VHS Girls Volleyball 2011

Recommended Fundraising

PAYMENT DEADLINE IS: Friday, September 9th

☐ Sponsorship/Donation Amount \$400 (recommended):

See Sponsorship Levels and Template Letter for sponsors.

For all Varsity \$800 & Viking \$400 sponsors, banners are available with sponsors name and logo. If the sponsor wants a banner the player is responsible for providing business logo art work or a basic electronic file for creation of the banner. Ask for logo artwork when picking up the check. We do reuse banners for repeat sponsors.

The best way to find sponsors is from companies you support as a family. Carpet cleaners, dry cleaners, dentist, mortgage broker, realtor, landscaper, etc. If you call restaurants, it takes several phone calls to locate a manager that will have the authority to provide a donation.

☐ Uniform Payment :

Range from \$100-\$250 for Frosh and JV depending on what you order; Varsity is more (2 Jersey's, and Warm up's). Uniform deposit due when order is placed August 8th, balance is due Friday August 26th.

All payments should be made out to VHS Girls Volleyball

This is will cover the costs for the **Fall 2011 season**.

What is **not** covered?

- Pictures – payments made directly to O'Connor
Photography – optional
- Banquet/Keepsake Program Ads (\$30 – \$100 depending on size) - optional
- Banquet Tickets for Guests - estimated at \$20/person (girls are included)
- Tournament Food

Note: it is recommended that girls who are not in another sport enroll in **Spring Volleyball**. Spring Volleyball is skills practice and strength & weight training (2 days a week). We are hoping our fall fundraisers (car wash and canteen) will cover the cost of the Spring Program which historically has cost \$250 a player. If not we will add Spring Fundraising.
